Intervention Peer Review Process 2015-Feedback Form

We would like to gather your feedback on this session to help us better meet your needs and those of others in the future. This questionnaire will take less than 10 minutes to complete. If you need an alternative format of the questionnaire, please email (Insert contact person here) Thank you!

I. General Information

Date: _____

CORE Region Session Location: _____

II. On a scale of 1 to 5 (with 1 being 'Not at all' and 5 being 'Very much'), please rate the following statements.

	1 Not at all	2	3 Somewhat	4	5 Very Much
As a result of the review process, my understanding of how to **evaluate intervention materials for reading, mathematics, and written expression** to support the needs of students in the Tennessee Response to Instruction and Intervention (RTI^2) and the Special Education Framework has improved or become stronger.	☐	☐	☐	☐	☐
As a result of the session, my understanding of **skill deficit areas and how to effectively identify aligned interventions to** best meet the needs of students across intervention and the instructional day has become stronger.	☐	☐	☐	☐	☐
As a result of the session, my understanding of the importance and need of sufficient evidence to **support internal and external validity, as well as evidence based and peer reviewed** to examine the effectiveness and results of an intervention has increased or been improved.	☐	☐	☐	☐	☐
As a result of the session, my understanding of the **intensity of intervention** at Tier II, Tier III, and Special Education intervention (being the most intense intervention) in order to support meeting the individual need(s) of students at-risk has been improved.	☐	☐	☐	☐	☐
Due to the peer review process, I am able to align the importance of **systematic and explicit instruction**, as well as the evidence of **differentiation and scaffolding** provided by the intervention to meet the individual needs of at-risk students during intervention as well as the tools/ strategies to support Tier I core instruction.	☐	☐	☐	☐	☐

III. Please provide us with more detailed information to help us improve our professional development.

What other topics would you like further information on to help you guide instructional practices for all students?

How can future training be improved to best meet the need of support in student instruction, including core instruction and all tiers of intervention?
